

About Delfin

Rocky Springs is being developed by Delfin Lend Lease who creates large scale master planned communities across Australia. Over the past 16 years in Townville, Delfin has successfully created Willow Gardens and the Award Winning Riverside Gardens.

Delfin has been creating special places to live across Australia for over 50 years. Special places that offer more than just an address - places where people can enjoy the most out of life.

We're part of one of the world's leading real estate companies, Lend Lease, which provides a full spectrum of real estate related services to clients across all major markets and sectors.

Today more than 100,000 people across Australia live, learn, work and enjoy life in Delfin communities. Special places they are proud to call home.
