

About Lend Lease

Rocky Springs is being developed by Lend Lease who creates large scale master planned communities across Australia. Over the past 16 years in Townville, Lend Lease has successfully created Willow Gardens and the Award Winning Riverside Gardens.

Lend Lease has been creating special places to live across Australia for over 50 years. Special places that offer more than just an address - places where people can enjoy the most out of life.

Lend Lease is one of the world's leading real estate companies, and provides a full spectrum of real estate related services to clients across all major markets and sectors.

Today more than 100,000 people across Australia live, learn, work and enjoy life in Lend Lease communities. Special places they are proud to call home.
